

Novel Ideas: November 2022

Pierce County Library Foundation's 4th Annual Trivia BEE A Success!

More than 100 library-lovers came together for a night of food, signature cocktails, and challenging trivia to make an impact at your library, with event proceeds benefitting Outreach Services at your library.

Including bookmobile stops in the summers, visits to homebound customers and retirement communities, Outreach Services meets people where they are. With a focus on asset-limited locations, the library brings materials and services to locations such as childcare centers, foodbanks, assisted living facilities and directly to homebound customers.

Thank you to everyone that joined us in-person or online. We can't wait to see you again next year! Until then, here are a few photos from the event - enjoy!
