Summer Reading 2022

The Summer Reading program encourages all readers to explore and discover new interests. It's also tons of FUN! This summer, nearly 15,000 readers participated in Summer Reading and logged 216,270 days from June 1 - August 31!

Your investment in the library made it possible to put 6,705 books in the hands of children and youth in our community. Additionally, Point Defiance Zoo & Aquarium/Northwest Trek contributed 8,500 passes for youth (and one accompanying adult) to visit the Point Defiance Zoo as a reading incentive!

National Estate Planning Awareness Week [\(NEPAW\)](#) October 17 - 23, 2022

Creating a will or estate plan is one of the most important things you'll ever do to help protect and provide for the people and causes you care about.

Please join a FREE streaming event on Thursday, October 20 from 11:30 a.m. to 1:00 p.m., focused on basic estate planning. Learn about simple ways to ensure your wishes are known, so you can leave the legacy you want for your loved ones and your community.

The presentation will be provided by estate planning attorney, Brianne Kampbell. Brianne is informative and engaging, and has experience in creating over a thousand wills, estate plans, or handled probates for her clients and those of other attorneys in the South Sound.

[Leave 10 South Sound](#) is a movement created by local donors, nonprofits, and professional advisors to educate, encourage and inspire people in the South Puget Sound region to leave at least 10% of their estates to charity.
