Rhymes and Songs

Lemon Tree and LEMONADE!

Sing to the tune of “Way up high in the apple tree”

Way up high in the lemon tree
One little lemon smiled at me!
So, I shook that tree with all of my power,
Down came a lemon.
Ooooh, it was sour! (pucker lips!)

Keep counting down until all the lemons are gone! Now let’s make lemonade.

Recipe for lemonade -

- 6 lemons
- 6-8 cups of water
- 3/4 - 1 cup sugar

Cut lemons in half and squeeze juice into a pitcher.
Take out any seeds that fall in!
Mix in the water and sugar and stir until sugar is mostly dissolved.
Add ice if you like!

Dance, Freeze, Melt! GAME

When the music plays, everyone dances around and then when the song stops, yell “FREEZE!” or “MELT!” For FREEZE, the group pretends to be a frozen popsicle (no moving!)... For MELT everyone melts down to the ground like ice cream. Goes great with any song.

Fruit Salad

Sing to the tune "Are You Sleeping?/Frere Jacques"

Watermelon, watermelon - make watermelon shape with your arms
Papaya, papaya - make papaya shape with your hands
Chop up the banana, chop up the banana,
Fruit salad! Fruit salad! - put your hands on your hips and make a circle with your whole self

Ice Cream

I like ice cream. Yes I do!
One scoop for me?
No! Make it two!

Hmmm two scoops of ice cream, I want more
How about three?
No, make that four!
1, 2, 3, 4,
Splat! “oh no! It’s on the floor!”

Ice Cream Dreams
2-Ingredient Watermelon Sherbet Recipe

What you need:
6 cups watermelon, cut into cubes
1 cup sweetened condensed milk

Cut the watermelon into cubes, put on a tray, and freeze for about 2 hours.
Put the frozen watermelon cubes and the sweetened condensed milk into a blender
and blend until smooth. If you want to drink it as a smoothie, you can pour it
into cups right away. Or, pour into a plastic container and freeze for 2 more hours.
