Rhyming Fun

Snowflakes, Snowflakes

(Sing to the tune of "Twinkle,
Twinkle Little Star")

Snowflakes, snowflakes,
dance around,
Snowflakes, snowflakes,
touch the ground.
Snowflakes, snowflakes,
in the air,
Snowflakes, snowflakes,
everywhere.
Snowflakes, snowflakes,
dance around,
Snowflakes, snowflakes,
touch the ground.

In the Snow

Whether a flurry or a blizzard, snow is an exciting event that transforms the landscape and brightens the world. It can be rare in our climate, so when it does snow, enjoy it carefully with your baby. Remember to dress for the weather, since babies are more susceptible to cold temperatures.

Ideas & Tips

- Enjoy snow by looking out the window and talking about what you see.
- Bring a bit of snow inside. Check back on it periodically and talk about how it is changing.
- Bundle up and go play in the snow. Make a snowball and throw it!
- Find snow in our region's mountains nearly year round. See wildlife, rivers and streams, and snowy beauty by taking a trip to Mount Rainier. (Be sure to check for road closures and conditions before your trip.) visitrainier.com
