Beginning Sound BINGO
Before you play BINGO with beginning letter sounds (on the last two pages of this activity packet) write out each letter of the Alphabet on a piece of paper or on note cards. Make the letter sounds together - sometimes a letter has more than one sound! As you play the game, you can use stickers to mark when you get a sound and picture match. If you want to play the game again, rip up a piece of paper into small pieces to use as your markers. Ripping paper is part of the fun too!

Five Little Kittens
Five little kittens sleeping on a chair
One rolled off, leaving FOUR there.
Four little kittens, one climbed a tree
To look in a birds nest – then there were THREE.
Three little kittens wondered what to do
One saw a mouse, then there were TWO.
Two little kittens playing near a wall
One little kitten chased a red ball!
ONE little kitten with fur soft as silk,
Left all alone, to drink a dish of milk!

Where Has My Little Dog Gone?
Where, oh where, has my little dog gone,
Oh where, oh where can he be?
With his ear so short
And his tail so long.
Oh where, oh where can he be?
This would be a fun game to play at home!
Take a few favorite toys (cups or other things that you can use to hide things beneath).
Print or find a small picture of a dog.
Hide the picture under one of the toys and ask children to guess the shape or color toy they think the dog is hiding beneath.
Draw a picture of your family. Be sure to include any pets you have!
