Good Morning Toes

Good morning toes,
(Tickle baby's toes)
Good morning toes,
And how are you today?
I trust you had a good
night's sleep,
And now you're ready to play!
Good morning knees...
Good morning tummy...
Good morning hands...

Morning Time

Mornings can be busy for adults and babies. They can also be a great time to incorporate learning and have some fun with your alert, awake baby! Use this time for simple talking and singing games.

Ideas & Tips

- Talk to your baby about the plans for the rest of the day.
- Have a "good morning" song that you sing as you start the day.
- Incorporate play into your morning with a game of peek-a-boo as you dress baby.
- If your child goes to child care, talk about the caregivers as friends you're excited to see.
- Wave from the window as your neighborhood starts the day.
