METRO PARKS TACOMA

Donations at work

Thanks to donations from individuals like you and funding from community partners, we're investing in library programs and services that ensure access to library resources and deliver on our vision of inspiring lifelong learning for all.

Outreach Services

Taking the library directly to the community, Outreach Services brings materials to community centers, homebound customers, and care facilities, providing adults access to library resources and information.

A special thank you to The Rotary Club of Tacoma #8 for recognizing Outreach Services and the impact it has on the community with a \$4,000 Community Service Grant.

Borrow a backpack through this unique library program and explore the great outdoors. Backpacks include a Discover Pass, binoculars, and field guides to help young learners identify local birds, trees, and flowers.

Your Dreams Today Can Come True Tomorrow

We all have causes close to our hearts, and we dream of doing more for our community. But making significant financial gifts during our lifetime may feel out of reach.

Leave 10 South Sound is a movement created by local donors, nonprofits, and professional advisors to educate, encourage, and inspire people in the South Puget Sound region to leave at least 10% of their estates to charity.

Leaving just 10% of your assets to your favorite causes can provide organizations with the hope of a more secure future, sharing in your values as they serve our communities.

Leave 10 is your guide for how to leave 10% to your charity of choice.

The Foundation was proud to partner with the library, sponsoring an iPad giveaway as part of the library's Welcome Back activities. Three winners from Graham, Lakewood, and Sumner were selected from more than 2,300 entries.
