

ENSURING LIBRARY MATERIALS ARE SAFE FOR YOU

The Pierce County Library System quarantines all library books and materials for **four days** for the health and safety of you and library staff.

Studies conducted by the Institute of Museum and Library Services determined the quarantine periods.

Staff handle books and other items minimally prior to quarantine.

All staff handling returned materials follow **strict protocols** for personal hygiene and protective equipment to avoid the spread of germs.

Visibly dirty books will receive additional surface cleaning.
