Wi-Fi service unavailable at Lakewood and University Place Libraries

PIERCE COUNTY, Washington – Access to Wi-Fi is unavailable at Lakewood and University Place Pierce County Libraries, **today, Dec. 5**. Pierce County Library System staff members are working to fix the service, and the Library System plans to have the service available sometime on **Monday, Dec. 7**.

The Library System apologizes for the inconvenience. Please watch the Library’s website for updates.

About Pierce County Library System

The nationally acclaimed [Pierce County Library System](#) serves 620,000 people throughout Pierce County with 20 libraries and online services. The system is the fourth largest in the state and is funded primarily through property taxes. People may choose from 822,000 books, movies and other materials, as well as nearly half a million online/downloadable materials. Pierce County Library is committed to directing services in three primary areas: learning, enjoyment and community connection. Its services and programs spark success for Pierce County residents. More than 2 million people visit Pierce County Libraries each year. The Library provides services and programs directly to people in adult care facilities, people who are homebound, and to children in childcare centers and schools. [Pierce County Libraries are located](#) at Anderson Island, Bonney Lake, Buckley, DuPont, Eatonville, Fife, Gig Harbor, Graham, Key Center, Lakewood, Milton/Edgewood, Orting, Parkland/Spanaway, Pierce County Library Administrative Center, South Hill, Steilacoom, Summit, Sumner, Tillicum and University Place. Pierce County Library is an independent municipal corporation and operates as a junior taxing district.
